Section 2. This Zone Policy & Procedure Manual

Under USAWP’s Bylaws, the United States is divided into 11 Zones for administrative purposes. This division allows USAWP to delegate responsibility for certain of its functions and operations to local volunteers and permits local volunteers to have substantial input and control over USAWP’s activities in their locality. This Zone Policy & Procedure Manual is intended to provide all participants in USAWP Zone activities with information about the policies and procedures associated with their involvement with USAWP.

Please take the time to review this Zone Policy & Procedure Manual. It terminates and replaces any previous zone policies, memoranda and any inconsistent oral or written descriptions of the Zones’ role within USA Water Polo.

Although this Zone Policy & Procedure Manual is intended to be as comprehensive as possible, no policy and procedure can anticipate every circumstance. Thus, should any questions arise regarding the contents of this Manual or Zone policies or procedures in general, you should feel free to contact USAWP staff, who can either provide you with guidance regarding the meaning of

the provisions of this manual or cause USAWP's Chief Executive Officer or Board of Directors to consider any policy issues that are not addressed in this Manual.

Notwithstanding the above, USA Water Polo shall have individual and organization membership categories.

The USA Water Polo Board shall represent the interests of the water polo community in the United States and its athletes by providing USA Water Polo with policy, guidance and strategic direction. The Board shall oversee the management of USA Water Polo and its affairs, but it shall not manage USA Water Polo. The Board of Director's paramount duty shall be to select a well-qualified and ethical Chief Executive Officer. The Board shall diligently oversee the Chief Executive Officer in the operation of USA Water Polo. The Board shall focus on long-term objectives and impacts rather than on day-to-day management, empowering the Chief Executive Officer to manage the organization with effective Board oversight. Each director of the Board must be eighteen (18) years of age or older.

A director shall: (i) have the highest personal and professional integrity, (ii) have demonstrated exceptional ability and judgment, and (iii) be effective, in conjunction with the other members of the Board, in collectively serving the long-term interests of USA Water Polo. Directors shall possess the highest personal values, judgment and integrity, understanding of athletic competition and the Olympic ideals, and have diverse experience in the key business, financial, and other challenges that face USA Water Polo. Directors shall have a high level of experience and capability in Board oversight responsibilities, including in the areas of finance, marketing, fundraising, audit, management, communications, and sport. At least one (1) of the Independent Directors (as defined in Article 7.8), who shall also serve on the Audit Committee, shall have financial expertise.

Directors shall inform the Nominating and Governance Committee of any changes in their employment responsibilities or other constraints on their time in order for the Nominating and Governance Committee to determine whether it is appropriate to nominate the director for continuing Board service.

Section 7.5. Number.

The Board shall consist of at least seven (7) and up to twenty (20) total directors, at least twenty (20) percent of whom shall be Independent Directors, at least twenty (20) percent of whom shall be Athlete Directors, and the rest of whom shall be drawn from the United States water polo community.

Section 7.6. Composition of Board.

The Board shall consist of the following categories of directors:

- a. *Independent Directors.* At least two and no less than (20%) of the directors shall be Independent Directors, as that term is defined in Article 7.8.
- b. *Athlete Directors.* At least 20% of the directors shall be Athletes, as that term is defined in Article 11.2. At least one of the Athlete Directors shall be male and at least one of the Athlete Directors shall be female.
- c. *At Large Directors.* The remaining directors shall be At Large Directors. The only restriction upon the eligibility of individuals to serve as At Large Directors shall be those set forth in Article 7.4.

Section 7.7. Election of Directors

- a. *Election of Independent Directors and At Large Directors.* The Nominating and Governance Committee shall nominate candidates for Independent Directors and At Large Directors, which nominations shall be presented to the Zone Representatives elected pursuant to Article 6.4 at the USA Water Polo Assembly. Persons nominated by the Nominating and Governance Committee and receiving a majority of the votes of the Zone Representatives in attendance at the USA Water Polo Assembly at which the vote is taken shall be elected as Board members.
- b. *Election of Athlete Directors; Term of Office*
 1. USA Water Polo's representative and alternate representative to the USOC Athletes' Advisory Council shall serve as Athlete Directors. The term of office of Athlete Directors so elected shall commence and terminate concurrently with the commencement and termination of their positions on the USOC Athletes' Advisory Council.
 2. In the event that the election of more than two Athlete Directors is required in order for USA Water Polo's Board to be composed of not less than 20% Athlete Directors:
 - (i) On or before August 15 of each year in which an Olympic Games is held, USA Water Polo's Chief Executive Officer shall provide notice to all Athletes eligible to serve as an Athlete Director as of

January 1 of the following year that nominations may be submitted for the then required position or positions as Athlete Directors of USA Water Polo (other than the Athlete Directors appointed to such position by virtue of their being USA Water Polo's representative and alternate representative to the USOC Athletes Advisory Council).

- (ii) Athletes wishing to serve as an Athlete Director (other than those wishing to serve as USA Water Polo's representative and alternate representative to the USOC Athlete's Advisory Council) may place their name in nomination at any time prior to October 15 of the year in which the election is to be held.
 - (iii) On or before November 1 of the year in which the election is to be held, USA Water Polo shall distribute ballots to all of its members who qualify as Athletes as of January 1 of the year following the year in which the election is to be held containing all of the names of the Athletes nominated as a director and directions for submitting votes on account of such ballots. Each Athlete receiving a ballot may cast votes equal in number to the number of directors to be elected; provided that an Athlete may only cast one vote for any single nominee.
 - (iv) All ballots duly submitted in accordance with the instructions set forth on the ballot on or before November 15 of the year in which the election is being held shall be counted. The individual or individuals receiving the greatest number of votes on ballots so submitted (other than those elected by reason of their service as USA Water Polo's representative and alternate representative to the USOC Athlete's Advisory Counsel) shall be elected as directors, up to the number of vacant Athlete Director positions for which the election is being held.
 - (v) The term of office of Athlete Directors elected pursuant to this provision shall commence on January 1 of the year following the year in which the election for that office is held and shall be of four (4) years duration.
3. In the event that the election of one or more additional Athlete Directors is required to ensure that not less than 20% of USA Water Polo's Board are Athlete Directors between the dates provided for the regular election of Athlete Directors in sections 7.7(b)(1) and (2):
- (i) As soon as reasonably practicable following the need to expand the Board to include an additional Athlete Director, USA Water Polo's Chief Executive Officer shall provide notice to all Athletes eligible to serve as an Athlete Director as of the prior January 1 that

nominations may be submitted for the then required position as Athlete Director of USA Water Polo.

- (ii) Athletes wishing to serve as Athlete Director may place their name in nomination at any time within fifteen (15) days following the foregoing notice.
- (iii) Within ten (10) days following the last day to submit nominations, USA Water Polo shall distribute ballots to all of its members who qualify as Athletes as of January 1 of the year in which the election is to be held containing all of the names of the Athletes nominated as a director and directions for submitting votes on account of such ballots. Each Athlete receiving a ballot may cast a single vote for the Athlete to be elected.
- (iv) All ballots duly submitted in accordance with the instructions set forth on the ballot within fifteen (15) days of the date upon which the ballots are distributed shall be counted. The Athlete receiving the greatest number of votes on ballots so submitted shall be elected as an Athlete Director
- (v) The term of office of Athlete Directors elected pursuant to this provision shall commence immediately upon the conclusion of the election and shall terminate concurrently with the conclusion of the term of office of USA Water Polo's representative and alternate representative to the USOC Athletes Advisory Council serving as of the date that an Athlete Director elected pursuant to this provision was elected.

Section 7.8. Independent Directors.

In order to qualify as an Independent Director, an individual must not have any material relationship with USA Water Polo, either directly or through an organization that has a material relationship with USA Water Polo. A relationship is "material" if, in the judgment of the Nominating and Governance Committee, it would interfere with the individual's independent judgment. A individual shall not be considered independent if, within the preceding two (2) years:

- a. the individual was employed by or held any governance position (whether paid or volunteer) with USA Water Polo (other than as an Independent Director of USA Water Polo), the international federation of water polo, the international regional sport entity of water polo, or any sport family entity of water polo;
- b. an immediate family member of the individual was employed by or held any governance position (whether paid or volunteer) with USA Water Polo, the USOC, the international federation of water polo, any international regional federation of water polo, or any sport family entity of water polo;

- c. the individual was affiliated with or employed by USA Water Polo's outside auditor or outside counsel;
- d. an immediate family member of the individual was affiliated with or employed by USA Water Polo's outside auditor or outside counsel as a partner, principal or manager;
- e. the individual was a member of the USOC Athletes Advisory Council;
- f. the individual receives any compensation from USA Water Polo, directly or indirectly; or
- g. the individual is an executive officer, controlling shareholder, or partner of a corporation or partnership or other business entity that does business with USA Water Polo.

The determination of whether the relationship is material, and whether a director is independent, shall be made by the Nominating and Governance Committee.

Section 7.9. Tenure.

The term of office for a Board director, other than Athlete Directors, shall commence on June 1 and shall be of four (4) years duration. The term of office for Athlete Directors elected as such by reason of their election to the USOC Athletes' Advisory Council shall be as set forth in Section 7.7(b)(1). The term of office for Athlete Directors elected as such as provided in Section 7.7(b)(2) shall be as set forth in Section 7.7(b)(2)(v). The term of office for Athlete Directors elected as such as provided in Section 7.7(b)(3) shall be as provided in Section 7.7(b)(3)(v). A director shall hold office until the director's successor is elected and qualified, or until the director's earlier resignation, removal, incapacity, disability or death.

Section 7.10. Staggered Director Terms.

In order to provide for staggered terms, the Board shall divide the Board offices, other than those held by Athlete Directors, into two groups, designated as the "A Group" and the "B Group." At least one Independent Director shall be in each of the A Group and the B Group. The remaining directors shall be divided so as to divide, as evenly as possible, the number of directors in the A Group and the B Group. The initial terms of the directors designated as being in the A Group shall expire on June 1, 2009, or until each such director's successor is elected. The initial terms of the directors designated as being in the B Group shall expire on June 1, 2011, or until such director's successor is elected.

Section 7.11. Term Limits.

No Board director shall serve more than three (3) consecutive full terms; provided that a director who is elected as Chair during that director's third term on the Board may serve as a director until the first to occur of: (a) that director no longer serving as the Chair (for this purpose, a Chair who is re-elected to that position shall be deemed to be continuously serving as the Chair and such director may continue to serve on the Board until that director is no longer serving as

the Chair) or (b) the expiration of that director's fourth consecutive term on the Board. Any director who is disqualified from serving on the Board pursuant to this provision may not be appointed or re-elected as a director for at least one year following the expiration of the last term of office during which that director is eligible to serve on the Board under this provision. A director who is disqualified from service on the Board by this provision may continue to serve in any other position with USA Water Polo, except for positions that may only be held by directors.

Section 7.12. Director Attendance.

Board directors shall be expected to attend in person all regularly scheduled Board meetings, though for exigent circumstances a director may participate in a meeting by telephone. Directors shall be required to attend no less than one half (1/2) of all regularly scheduled Board meetings in person.

Section 7.13. Resignation, Removal and Vacancies.

A director's position on the Board shall be declared vacant upon the director's resignation, removal, incapacity, disability or death. Any director may resign at any time by giving written notice to the Chair, except the Chair's resignation shall be submitted to the Chief Executive Officer. Such resignation shall take effect at the time specified therein, and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective. A director shall be removed by the Board if the director fails to attend in person more than one half (1/2) of the regular Board meetings during any twelve (12) month period, unless the director is able to demonstrate to the other directors that the presence of exigent circumstances caused and excused the absences. In such circumstances, the absent director shall be removed by the affirmative vote of a majority of the Board's voting power (not including the voting power of the absent director). A director can also be removed for cause at any duly noticed Board meeting, after providing the director whose removal is being considered an opportunity to be heard by the Board, upon the affirmative vote of at least two-thirds (2/3) of the Board's total voting power (excluding the voting power of the director in question). A director can also be removed without cause at any duly noticed Board meeting, after providing the director whose removal is being considered an opportunity to be heard by the Board, upon the affirmative vote of at least three-fourths (3/4) of the Board's total voting power (excluding the voting power of the director in question). Any Board vacancy shall be filled as set forth for the election of that class of Board director; provided that: (a) any vacancy other than that as an Athlete Director may be filled on an interim basis, until the next succeeding USA Water Polo Assembly, by the Nominating and Governance Committee and (b) a vacancy in the position of an Athlete Director shall be filled by an election conducted in accordance with the procedures specified in Section 7.7(b)(3), as soon as practical after the vacancy occurs. A director appointed or elected to fill a vacancy shall serve for the duration of the unexpired term of such director's predecessor in office.

No director shall be subject to removal or to not being reelected based on how they vote as a director, unless such voting is part of a violation of USA Water Polo's Code of Ethics.

Similar procedures shall apply to resignations, removals, and vacancies in the office of Chair.

Section 7.14. Regular and Special Meetings.

As a condition of membership in USA Water Polo and the right to participate in any competition or event sanctioned by USA Water Polo, each USA Water Polo member and each athlete, coach, trainer, agent, athlete support personnel, medical or paramedical personnel, team staff, official and other person who participates in USA Water Polo or USA Water Polo events (whether or not an USA Water Polo member), shall comply with, and be bound by, the safe sport rules policies and procedures of the Center and to submit, without any reservation or condition, to the Center's jurisdiction for the resolution of any alleged violations of the Center's rules, policies and procedures, as they may be amended from time to time. With respect to complaints that are referred to the Center, to the extent that any rule or procedure that may be adopted by USA

Water Polo (including any rule or procedure in these Bylaws) is inconsistent with a rule or procedure adopted by the Center, the rule or procedure adopted by the Center shall govern.

Section 14.10. Conduct of the Proceeding.

In the event that a grievance, right to compete complaint or request for a background screening waiver is submitted to a USA Water Polo hearing panel, the hearing panel shall rule on all motions and other matters raised in the proceeding and, at the request any party or at its own initiative, may refer the complaint to the Center to be administered in accordance with such procedures as the Center may adopt from time to time. The hearing panel's decision to refer a complaint to the Center shall be final and not reviewable. If the complaint is not dismissed or referred to the Center, the hearing panel shall hold a hearing on the complaint. The hearing panel shall set such timelines and other rules regarding the proceeding and the conduct of the hearing as it deems necessary; provided that the parties shall be given not less than ten (10) days notice of the hearing. The hearing shall be informal, except that testimony shall be taken under oath.

The hearing may be conducted by teleconference, if necessary or convenient to the parties or to the members of the hearing panel. Each party shall have the right to testify personally and to be represented at the hearing by an attorney of that party's choice. All parties shall be given a reasonable opportunity to present and examine evidence, cross-examine witnesses and to present argument. Members of the hearing panel and any person appointed to administer the hearing shall have the right to question witnesses or the parties to the proceeding at any time.

Any party may have a record made of the hearing. A court reporter may be present at the hearing at the request of a party. The court reporter shall be paid for by the party requesting the court reporter, or if mutually agreed, the cost may be equally divided between the parties. If a record of the hearing is made, the party making the record shall provide a copy of the record to all parties, to the hearing panel and to USA Water Polo, upon request.

Section 14.11. Expedited Procedures.

Upon the request of a party, and provided that it is necessary to expedite the proceeding in order to resolve a matter relating to a competition that is so scheduled that compliance with regular procedures would not be likely to produce a sufficiently early decision to do justice to the affected parties, the Chief Executive Officer is authorized to order that the complaint be heard and decided within forty-eight (48) hours of the filing of the complaint. In such a case, the hearing panel is authorized to hear and decide the complaint pursuant to such procedures as are necessary, but fair to the parties involved.

Section 14.12. Complaints Involving Selection to Participate in a Competition.

Where a complaint is filed involving selection of an individual to participate in a competition, the complainant shall include with the complaint a list of all other individuals, together with their contact information, that may be adversely affected by a decision rendered on the complaint. The hearing panel shall determine which additional individuals must receive notice of the complaint. The complainant shall then be responsible for providing appropriate notice to these individuals. Any individual so notified then shall have the option to participate in the proceeding

as a party. If an individual is notified of the complaint, then that individual shall be bound by the decision of the hearing panel even though the individual chose not to participate as a party.

Section 14.13. Decision.

A decision shall be determined by a majority of the hearing panel. The hearing panel's decision shall be in writing and distributed to the parties.

Section 14.14. Appeals.

The sole means of appeal from a decision of a hearing panel (other than a decision to refer a complaint to the Center, which is not subject to appeal) shall be by the filing of an arbitration proceeding with the American Arbitration Association, which shall hear the appeal pursuant to its Commercial Rules, as modified and provided for in the USOC's constitution and bylaws as then in effect, except that if the AAC and National Governing Bodies' Council do not concur on any modifications to such Rules, and if the USOC's executive committee is not able to facilitate such concurrence, the Commercial Rules of Arbitration shall apply unless at least two-thirds of the USOC's board of directors approves modifications to such rules.

Any request for the arbitration of any appeal must be made within 30 days of the date upon which the hearing panel determining the grievance announces its decision on the grievance, after which period of time the decision of the hearing panel shall become final and not subject to any further appeal. The decision of the arbitrator(s) on any appeal shall be final and binding upon the parties.

Any appeal from a decision by the Center, including a decision by the Center that alters or affirms a decision made by a USA Water Polo hearing panel, shall be in accordance with such rules and procedures as the Center may adopt.
